The Maritimes Alateen Volunteers host a secure Chat Line for Teens every Monday evening for one hour from 7pm - 8pm AT. All Al-Anon volunteers are carefully and officially screened to perform this service. The Teens who are trying to live with the issues surrounding the "Family Disease" of Alcoholism are given the opportunity to speak about their experiences. The Teens on the Alateen Chat Line go through a screening process before accessing the Alateen Chat Room.
